EAGLE

TREK

Join us for eagle-watching with spotting scopes and meet some of the feathered inhabitants of the World Bird Sanctuary (9am-noon)! Enjoy short interpreted walks both upstream and downstream from the Dam. See the confluence of the Mississippi & Kaskaskia Rivers. Experts will have knowledge of other eagle-nesting sites nearby (9am-3pm).

Contact Allie McCreary at (618) 566-4451 x21 or allie.mccreary@swircd.org to register. Please reserve your spot by February 1st so we can account for the number of lunches. A suggested donation of \$5/person is asked to cover lunch expenses. Families and leash-trained dogs welcome for the hike.
