### PROFESSIONAL EXPERIENCE

Ms. Lopez Drake joined the organization in January 2011 as the Marketing and Events Coordinator, and oversees all of the marketing functions, including development of marketing materials, project proposals, webmaster for SWIRCD website along with numerous organizational sites, event coordination, and community relations. She comes to the organization from a local civil engineering firm and was the former Membership Director for the Greater Belleville Chamber of Commerce. Through her experience working at the Chamber and within the local community she is able to recognize regional environmental issues and how they can impact our area. Mary Ann supports our efforts of conservation and fostering livable and sustainable communities through marketing, event planning, and community relations. Mary Ann is a 2007 graduate of Lindenwood University and holds a Bachelor of Arts in Business Administration. She is the Chairman of the Field to Fork Committee, a member of the Turkey Hill Grange, and the Belleville Dog Park Committee.
